

Capital Improvements at Holy Trinity

We are pleased to report that your continued generosity in support of our Capital Fund allowed us to complete renovations to the H.O.P.E. House and church cry room and bathrooms. We hope that you enjoy the upgrades. Your support makes this possible. Thank you!

Some of the highlights of the improvements include:

H.O.P.E. House \$36,773

- Repainted interior
- Brick exterior repaired (over former garage door)
- Removed vinyl & carpet and sanded/stained original hardwood floors
- Removed wall and one bathroom in re-finished garage area
- Leveled floors to match main area
- Removed water heater from center of room; installed in kitchen
- Removed cupboard from center of room (previously housed furnace, which had been removed years ago)
- Installed vinyl and new sinks in two bathrooms
- Installed vinyl and new sink in kitchen
- Replaced kitchen counters
- Installed storm doors

Church Cry Room & New Bathrooms \$51,170

- Installed sound barrier door in hallway by cry room
- Removed carpet and installed vinyl
- Removed small bathroom and vanity from cry room
- Installed two ADA bathrooms
- Installed new ceiling in cry room and new bathrooms
